Wednesday Bible Study

All are invited to join us as we gather every Wednesday morning for a thought-provoking study, meaningful discussion, prayer, and sharing.

This winter and spring, our study will focus on these DVD studies:

The Hustle for Worthiness:

Exploring the Power of Love, Belonging, & Being Enough

By Brené Brown

Brené writes, "Our lives are a collection of stories - truths about who we are, what we believe, what we come from, how we struggle, and how we are strong." In this study, we will explore what it means to embrace our own sense of belovedness and worthiness, and start living "whole-heartedly."

The Human Experience

In a world fraught with hostility and violence, an altruistic group of young men endeavor to understand the true essence of the human spirit by visiting forgotten souls such as homeless New Yorkers, Peruvian orphans, and isolated Ghanaian lepers in this uplifting documentary.

Living Christ's Presence

By Dallas Willard & John Ortberg

This series of talks explores what it means to live well now in the light of heaven and God's Kingdom. Woven in every talk is an element of grace as Willard presents his final lectures.

Forgotten God:

Reversing our Tragic Neglect of the Holy Spirit

By Francis Chan

This series offers a compelling invitation to understand, embrace, and follow the Holy Spirit's direction in our lives.
